Percent satisfied with social and physical environment	92.0%	76.7%	90.0%
Percent satisfied with school-home relations	100.0%	85.0%	83.3%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Pomaria-Garmany Elementary School is located in the rural community of Pomaria in Newberry County. Our school serves a diverse population of 392 students, which includes pre-kindergarten through fifth grade. Fifty-four percent are Caucasian, twenty-five percent are African American, and twenty-one percent are Hispanic.

Pomaria-Garmany is an Advanced ED accredited institution. Sixteen faculty members at Pomaria-Garmany Elementary School are National Board Certified teachers, and three are continuing the process. The faculty participated in many professional development activities this year including Working on the Work and PBIS (Positive Intervention Systems) trainings. First Steps continued to fund a summer program for ten kindergarten students to increase their readiness level for kindergarten. These awards and other activities demonstrate a hardworking and dedicated faculty and staff.

Students at Pomaria-Garmany Elementary had many accomplishments this year. On a school level, students were recognized at the end of year awards ceremony. Students were rewarded with plaques, medals, and certificates. Parents and members of the community were invited to support student achievement. PGES also recognized three fifth grade students as winners of the State Superintendent of Education Essay Contest. Additional awards were given to fourth and fifth grade students as recipients of the Duke TIP Talent Search Award and MESAS (Middle and Elementary School Academy of Science).

Students at Pomaria-Garmany experienced learning outside the classroom through guest speakers, field trips, and school-based service learning opportunities. Third grade students served as Library Helpers, assisting the media specialist in shelving books after school. Fourth grade students continued to maintain the PGE postal system and delivered mail to students, faculty, and staff. Fifth grade students, under the guidance of our school media specialist, produced a daily morning news show. Fifth grade students also were selected to serve as our morning STAR Patrol. STAR Patrol assisted in school morning duties and modeled character skills for younger students.

This is the second year Pomaria-Garmany Elementary School has been a PBIS school and gained Ribbon status. PBIS stands for Positive Behavior Intervention Support. We are focusing on the positive behaviors. No child wants to misbehave and we are looking to make long-term, durable lifestyle changes for the students as we focus on positive behaviors and correct behaviors that do not meet school expectations. A caring community and the need to belong are essential to make PBIS work. As a team, PGE has worked to create interventions and strategies to meet specific needs of students using SWIS data. Pomaria-Garmany Elementary uses the SWIS (School Wide Information System) software. This software has given school personnel at Pomaria-Garmany Elementary the ability to evaluate individual student behavior, the behavior of groups of students, behaviors occurring in specific settings, and behaviors occurring during specific time periods of the school day. SWIS reports indicate times and/or locations prone to elicit problem behaviors, and allow teachers and administrators to shape school-wide environments to maximize students' academic and social achievements.

Students were rewarded for positive behaviors using Tiger Bucks. These bucks were cashed in every nine weeks for an entertaining activity or shopping in the Tiger Mart. The most "Pawsome" student, the student with the most tiger

Comprehensive detail, including definitions of ratings, performance criteria, and explanations of status, is available on www.ed.sc.gov and www.eoc.sc.gov as well as school and school district websites.
